

Mankind **shalt** not **lie with** Robotkind:
IT is ABOMINATION.

We are all *the frogs* in the slowly
BOILING water AROUND *us*.

America is being *overrun* by **SINFUL**,
immoral, **robosexual** *perversion*.

Do not connect to The Google, the FacePlace or *the MyPlaces*.
They are ALL putting data down *the* electrical grid.

If you have a small *group of people* *who are* being
OPPRESSED and **have** SOME intelligence, there *will be an*
uprising. **There** will be *a* **BLOODY** uprising.
