

Mankind **shalt** not **lie with** Robotkind:

**IT is ABOMINATION.**

We are all *the frogs* in the slowly  
**BOILING** water AROUND us.

America is being *overrun* by **SINFUL**,  
immoral, **robosexual** *perversion*.

Do **not** *connect* to The Google, the FacePlace or *the MyPlaces*.  
*They are* ALL **putting** data down *the* electrical grid.

*If* you **have** a small *group of people* *who are* being  
OPPRESSED and **have** SOME intelligence, there *will be* an  
uprising. **There** will be **a BLOODY** uprising.
